Buyer should also be aware that if buyer seeks some form of approval of permit for development subsequent to buyer’s purchase of this excess property, the local agency may require an environmental document and/or environmental analysis before giving its approval or permit.

**SURVEY:** No warranty is made by Caltrans relative to ground location of property lines other than the monumented highway right of way line. Any independent survey is at purchaser’s expense.

**DISQUALIFIED BIDS:** The State of California reserves the right to reject any and all bids and waive any information or irregularity in any bid or to accept any bid deemed in the best interest of the State at any time prior to the recordation of the Director’s Deed. **An agreement between two or more prospective bidders to set their bid price, or not to submit bids against each other, with the purpose of purchasing these parcels at a more advantageous price or terms, is prohibited.** Where such agreements come to the knowledge of the Department of Transportation, any bids made pursuant to such an agreement **shall be disqualified.** The above prohibitions do not preclude single bids submitted by one or more persons or entities or both as partners or joint ventures or other similar legally permissible combinations.
